

Create Your Own Countdown to Christmas

{a free printable}

1. Print these cards on unlined 3"x5" note cards.
2. Fold the cards in half with the number graphic on the outside.
3. On the inside write something fun to do with your children each day of December leading up to Christmas Day. You can make these activities whatever you want...from Bible verses to read each day, to fun Christmas activities like baking cookies, watching a Christmas movie, or going to look at lights.
4. Take the folded cards and attach them to a string with clothes pins or paper clips. Make the string with cards a part of your Christmas decorations somewhere in your home.
5. Each day let the kids take the card down for that day to find out what activity is planned for the day.

I hope this will give you another fun way to make memories with your family this Christmas season!

Merry Christmas from our family to yours!

In Christ,

Sheri
