Introduction & How to Use This Book

Welcome to My Bible Copy Book! Recently I have been inspired by several articles and blog posts I have read online. I have been inspired to begin copying the Bible in a more systematic way. Not just a few verses here and there, but whole books of the Bible at a time. In the Old Testament, the kings were instructed to "write for himself a copy of this law on a scroll." There was a reason for this instruction and I think it applies to us today as well.

If you think about it, when you copy a verse from the Bible you end up reading it about three times. You first read a few words out of your Bible, then you read the words a second time as you repeat them back in your head as you copy them onto your paper, then you read them the third time after you copy them to make sure you copied them correctly.

Copying Scripture forces you to slow down and really think about each word you are writing, allowing the Lord to speak to you through His Word.

This edition is for older children and adults. The book and chapter headings are placed at the top right of the page so that you will easily be able to flip through to find a particular passage. Each of the pages has short gray lines on the left side that can be used to write the verse number at the beginning of each verse.

I have also included "Notes" pages that you can use to jot down notes as you are copying – documenting what the Lord is showing you through your study of His Word.

When you have filled up your Copy Book, you are **ready to label it for safe keeping and reference.** If you are copying through the Bible in

order, you can label your Copy Books with volume numbers. Another option is to write the name of the book in the Bible that is copied in that Copy Book (if that is the only book copied), and use the "From" lines to fill in the range of passages copied.

These "Copy Books" will be a treasure to you and your family for years to come! Not only will you have another "copy" of the Bible, but you will have experienced God's work in your own heart and life through the experience, and documented this on the "Notes" pages.

Whether you decide to copy one book or all sixty-six...you will be taught, reproofed, corrected, and trained in righteousness! Praise Him!

May the Lord bless you as you begin this journey of copying His Word!

In Christ,
Sheri

"All Scripture is inspired by God and profitable for teaching, for reproof, for correction, for training in righteousness; so that the man of God may be adequate, equipped for every good work."
